MAISON DE CHAMPBAILLARD

A HOUSE FOR VACATIONS, FESTIVITIES, GATHERINGS

The construction of the **Maison de Champbaillard** was a collaboration of the Rotary Club Lausanne and the commune of Romainmôtier-Envy in 1981. If you are looking for affordable accommodation which is comfortable, practical and welcoming, this is the ideal place for you. Set in an idyllic natural environment, it is close to a unique historical and cultural site: the tiny medieval town of Romainmôtier, nestled around its Romanic church in a small valley. Groups of up to 28 persons (clubs, associations, school-classes, large families, etc) can use the house for retreats, holidays, week-ends, a day of special activities or celebration.

There is also a separate hall of about 300 m² with many tables and a kitchen, for parties, weddings, seminars, meetings of all kinds, for up to 250 people.

There is a great variety of things you can do to make your stay even more interesting: visit the sights, exhibitions and markets, attend concerts, go on short or long trips to the hills, forests, lakes and mountains all around Romainmôtier, or just enjoy a few relaxing, peaceful days in lovely natural surroundings.
